Dear Friend of Next Step,

Jesus promised his disciples three things—that they would be completely fearless, absurdly happy, and in constant trouble.

Welcome Carrie!

Hello! My name is Carrie, and I am so honored to be Next Step's newest staff nurse! My husband and I have made the Eastside our home for the past ten years. It wasn't until starting our own family that my passion for women becoming mothers was born. I love learning anything and everything about pregnancy, labor, postpartum, breastfeeding and was blessed with irreplaceable mentors in my own life. I reached out to Next Step to inquire about volunteer opportunities late last spring and quickly realized how perfect of a fit the clinic is for me to serve the demographic I hold so dear. Motherhood intensely pushes and grows every woman. My prayer is to be used to help encourage, love, and educate the women that come through the clinic's doors.
